WARNING

This document contains information affecting the national security of the United States within the meaning of the espionage laws U. S. Code Title 18, Sections 793 and 794. The law prohibits its transmission or the revelation of its contents in any manner to an unauthorized person, as well as its use in any manner prejudicial to the safety or interest of the United States or for the benefit of any foreign government to the detriment of the United States. It is to be seen only by personnel especially indoctrinated and authorized to receive information in the designated control channels. Its security must be maintained in accordance with regulations pertaining to TALENT-KEYHOLE Control System.

Newly observed on [redacted] approximately 130 feet in front of Launch Site D at the SA-3 Launch Area is a dome-shaped probable environmental shelter approximately [redacted] in diameter. Ground scarring and slight earth mounding are observed on both sides of the probable environmental shelter. The presence of the probable shelter can be negated on [redacted]
